#### AMENDMENT "P"

Honorable Commissioner for Patents  
MS Amendment, PO Box 1450  
Alexandria, Virginia 22313-1450

This amendment is responsive to the Office Communication dated October 6, 2008, in which Examiner has allowed Claims 60, 63-67, 69-71, 73, 80, 82-85, 87, 89, 91 in the application. The Examiner states that Claim 62 was previously cancelled by the Examiner's amendment dated 04/06/07.

The applicant would like to submit a new dependent claim 92, which is dependent on Claim 60. The allowed claims 71 and 89 are directed to a first species as shown in Fig. 1, the claim 92 points to a second species as illustrated in Fig. 4. Claim 92 would specify that the walls are the impenetrable material used in the application.

A payment for the issue fee is made with this amendment. The applicant requests an entry and consideration of the new claim 92 submitted herewith.

Respectfully submitted,

/Kim Kwee Ng/
